

You're part of a community of passionate individuals fighting for a cure for cystic fibrosis. And now, you're taking your support one step further by creating a Facebook Fundraiser.

### FACEBOOK FUNDRAISING

Fundraising on Facebook will make reaching your goal easier than ever. You can now create a Facebook Fundraiser through your Great Strides, CF Cycle for Life, Xtreme Hike, CF Climb, or Team CF Participant Center, and have funds raised through Facebook directly credited to your personal fundraising page.

### HERE'S HOW TO CREATE A FACEBOOK FUNDRAISER:

- Log in to your Participant Center.
- Click **FUNDRAISE ON FACEBOOK**.
- Invite friends and family on Facebook to read your story, follow your progress, and donate directly to your fundraising efforts without ever leaving Facebook. Your Facebook Fundraiser connects back to your personal fundraising webpage so that you can always keep track of progress toward your goal.

### Questions?

For assistance with using this tool, please contact your local chapter or visit [fightcf.cff.org](http://fightcf.cff.org) for additional fundraising resources, FAQs, and instructional videos.
